**Playing is Learning!**

Sharron Krull is a passionate, enthusiastic, and inspiring Early Childhood Educator. Her special rapport with children stems from her positive attitude toward life, her in-depth training and her rewarding experiences while teaching kids, training teachers, and speaking all over the country about early childhood related topics.

With a brand new Bachelor's Degree in education from Miami University of Ohio, Sharron moved to Colorado and taught a second and third grade combination class in the public school system. A few years later, she moved to California and with children of her own attending preschool, discovered her real calling, early care and education of young children.

Sharron's teaching experience spans over thirty-eight years and encompasses nearly all areas of early childhood education. She is a veteran preschool teacher having taught and directed at parent cooperative preschools for over 20 years. She has taught parent education classes, school-age childcare programs, park and recreation programs, and elementary school. She has been a Child Development Instructor at several California Community Colleges as well as a trainer, speaker, and writer. Sharron is currently an Early Childhood Educational Consultant for Discount School Supply and is a member of the national training team for I Am Moving, I Am Learning, a program promoting a proactive approach to prevent childhood obesity which is an initiative by the Office of Head Start. Continually learning and expanding professionally, Sharron is in great demand to conduct staff training seminars, workshops, and keynote speeches nationwide.

Sharron's advocacy for children and her desire to share with other teachers and parents led her to co-author two teacher resource books: Circle Time Activities for Young Children and Play Power: Games and Activities for Young Children. She also produced two instructional curriculum videos of the same titles. Another book, That Was the Best Party Ever! How to Give Birthday Parties Kids Will Never Forget, is the result of planning and conducting parties and celebrations for children from an educator's perspective. Literally thousands of children have been touched by her energy and creativity! (Play Power and That Was the Best Party Ever are no longer in print.)

On a personal note, Sharron is married and resides in Santa Cruz, California with her husband Steve. Their blended family consists of their grown children Christy, J.P., Corrie and Marc. Sharron and Steve enjoy the beach, sun, surf, and grandchildren!
